

## How to Start SkySloping!

### Logging in and setting up your user profile:

#### 1. Logging in through your MLS Board:

- a. If your MLS Board has established single-sign-on with SkySlope, you will see a SkySlope Forms after logging in. You can click on that icon to be automatically logged into SkySlope Forms!

#### 2. Creating your account:

- a. If you log into your MLS Board website and don't immediately see a SkySlope Forms icon, you can easily create your Forms account!
- b. [Click here](#) for written step-by-step instructions to set up your account.
