SKYSLOPE®

Getting Started with SkySlope Forms/Offers, as an Existing SkySlope Suite User

➜ If you have **not accessed** SkySlope Forms through your MLS, follow steps 1-4.

➜ If you have **already accessed** SkySlope Forms through your MLS, skip to Step 4.2.

Step 1: Confirm Your Email in SkySlope Suite

1. Log in to SkySlope Suite.
2. Click your name in the top right corner, then select "My Account".
3. Copy your email address from the Email ID field. *(You'll need this for the next steps!)*

Step 2: Update Your Email in Your MLS

1. Log in to your MLS.
2. Update your email address to match the email you copied from SkySlope Suite. *(Don't worry, you can change this back later!)*
3. Once updated, click the SkySlope Forms button from your MLS dashboard.

Step 3: Confirm Your Email in SkySlope Forms

1. Click your name in the top right corner, then select "User Profile".
2. Verify that your email address matches your SkySlope Suite account email.

Step 4: Final Confirmation

1. If the emails match: You're all set! You can now change your MLS email back to your preferred address.
2. If the emails don't match: Contact SkySlope Support to merge your accounts.
